

*your trusted exporting partner*

## ABOUT US

Poseidon Overseas LLP is an import and export company for agriculture commodities with in-depth knowledge and experience since 2015. We are based in India, but we have outreached the domestic and international market. An oracle of agriculture commodities and with erstwhile trade links with well-known suppliers and manufacturers, we have built the company to procure and promote agricultural commodity business.

With headquarters in Ahmedabad- the company is strategically shown its global presence and met the demands of the agricultural commodities that form the current focus. Moreover, our sister companies, namely **Shiva Enterprise and Gopinath Cooking Oil**, have built connections across the market. So now we are striving to be the top agriculture companies'- a source for all the agricultural products at the best quality and price.

## OUR VISION

- » We aim to be the sole provider of peanuts and other agricultural products like rice, cotton bale, cumin seeds and spices to all the major companies worldwide.
- » We strive to render services of peanut butter export from India with top-quality and packaging.
- » We endeavour to achieve this goal by providing all the agricultural products by all means.
- » Aspire to bring consumers safe and quality products with optimum nutrition.

## OUR MISSION

Poseidon Overseas LLP has a state of art facility available with cutting-edge modern machines and equipment from overseas to prepare the products with quality and safety.

- » Our mission is to improve the economic condition with ground-breaking research and export the products worldwide.
- » We ensure to provide 100% satisfaction with our pure nutritional products.
- » We aim to go beyond customers' expectations by providing quality products and services.
- » With the advancement of technologies, we aim to keep ourselves updated constantly.

## QUALITY & SAFETY

Quality is the bedrock we rely on to deliver consistently high standards across our products.

## STANDARDS

It is our utmost goal to deliver products and services that are safe, compliant and preferred.

## HEALTH & WELL-BEING

Our mission is to inspire, create and maintain an environment that supports each person's healthy lifestyle choices.
